

ISRAELI SCHOOL GIRLS WITH CARBINES, 1975

Thanks to Vance Vasquez for contributing this photo.

TAPO10801-1/8/75-AN ARMY BASE, SOMEWHERE IN ISRAEL: Schoolgirls, with their fingers on the triggers of U.S.-made M-1 rifles, go through anti-Arab guerrilla training here 1/8. All school children between the age of 17-18 are given a three-day course in weaponry, explosives identification and how to react in case of Arab guerrilla attacks. (UPI) GIRLS ha
